Pledge of Love

A pledge to our residents, families and each other

At Harbor Retirement Associates, the safety and well-being of all our residents and their loved ones is always of paramount importance to us. As we face the challenge of COVID-19 together, we want to do everything we can to ensure peace of mind for residents and their families. Please see your supervisor today to sign the pledge and show your love. There's a hero in all of us.

**As an Associate of HRA Senior Living,
I pledge to show my love by adhering to the following
guidelines and protective measures:**

I will wear a protective mask in public.

I will maintain social distancing of 6 feet or more.

I will not participate in group outings or gatherings of more than ten people.

I will maintain a high standard of cleanliness by washing my hands several times a day.

If I feel sick or exhibit any of the symptoms of COVID-19, I will let my supervisor know.

I will continue to adhere to these guidelines both on the job and at home.

As new guidelines are introduced, I will follow them to the best of my ability.
